

4-H Banner Contest

Banner Requirements

Size of Banner

The finished size of the banner should be 36" wide x 48" long and ready to hang vertically

Theme of Banner

The banner should promote 4-H in some way -- something related to 4-H history, your club or 4-H in general.

Items on Banner

Each banner must have "4-H" or the 4-H Clover someplace on it. Otherwise, the design of the banner is up to your club

Ready to Hang

A 2" casing should be sewn at the top of the banner so a dowel rod can be used to hang them up. The Extension Office will provide the dowel rod.
