you want to show in 4-H?
- Are you unable to house large
livestock or other 4-H project
animals?

Project Timeline

About the Project

To have fun and do a good job with your cat project, you will need to give your cat lots of attention. If you give your cat plenty of understanding and affection, it will give you affection and love in return. The 4-H cat project accepts all cats, household pets or purebreds. Always keep in mind that the cat must be safe to handle for the owner/handler and the judge. If you do not already have a cat, you must decide what kind to get. Kittens are playful and fun to watch. They are easy to train and adjust to a new home and family fairly quickly. Older cats will be quieter than kittens and already trained, but need more time to become used to their new home and owner.
