1. Do you have a Guinea Pig?
2. Is this your first animal project?
3. Can you care for a small animal year-round?

Project Timeline

About the Project

- Did you know that a cavy is what we commonly know as a guinea pig? In the cavy project, you can learn about selection and raising your animals, but also dive into health issues, management practices, and careers!
- Learn the basic principles of animal science by owning, caring for, and keeping records on one or more head of cavies.
- Explore knowledge of sound breeding, feeding, and management practices.
- Learn about the important breeds and varieties of cavies and their characteristics.
- Investigate marketing, project expansion, and how you can start a cavy business.

Project Requirements

Cavy Project members who intend to exhibit their animal(s) at the Adams County Fair must complete the following to remain eligible for fair entry and exhibition:

1. Enroll in the Cavy Project by the enrollment deadline.
2. Complete and file an Animal Care and Housing Form on 4HOnline by deadline.
3. ID all animals in 4HONline by June 1 deadline (project cavy must be owned by ID deadline)
4. Attend Animal Record Book Interviews and present an up-to-date E-Record Book.
5. Enter fair classes online by deadline.
6. Complete and turn in the Companion Animal E-Record by the deadline & supplement pages.

Additional Information - Animal Entry in 4-H Online

1. Beginning in 2016 - 4-H members will be required to enter their animals in the 4-H Online enrollment system. This page will help summarize the information required in this system.
2. All cavy project animals must be entered in the 4-H Online system no later than June 1st of the current project year.
3. Cavy Project Members will enter their animals under the 'Small Pet' tab, select 'Other' under 'animal type'.
4. It is highly recommended any and all animals with the potential of attending Fair have ID in 4HOnline. If an animal does not have ID, it will not be allowed at Fair.
