Display Board Guidelines for State Fair 4-H Exhibits

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

Follow these guidelines to create a display board for the state fair.

SHAPE
Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.

SPACE
Your display should only discuss one main topic. This will help it look neat and uncrowded.

ATTACHMENTS
When attaching pictures or objects to your board make sure they are secure. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can't stand or fold.

TEXT
Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

SIZE
Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers. No part of your display may extend beyond these boundaries.

DISPLAY BOOKS

Your e-record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside.

You may not use slider-type binders.

Adams County 4-H General Projects

Rules:

4-H General will be judged and displayed in the Al Lesser Building.

4-H General Projects Rules:

1. All entries close at 4:00 p.m., Friday, June 30, 2017
2. Entries must be completed using the FairEntry System – <http://adco.fairentry.com>
3. Eligibility: Exhibitors must be enrolled in project and unit for the current 4-H year, for any project exhibited. Exhibitors must be between 8 and 18 years of age as of December 31 of the previous year. When Junior, Intermediate, and Senior separate a division into classes the following age criteria will be used:
 - Junior – 8-10 years
 - Intermediate – 11-13 years
 - Senior – 14-18 yearsWhen separated into classes by Junior and Senior, the following age criteria will be used:
 - Junior – 8-13 years
 - Senior – 14-18 years
4. E-records are due with completed projects at interview judging.
5. County Fair requirements do not necessarily match State Fair requirements. Champions wishing to exhibit at State Fair will have to comply with State Fair requirements.
6. No exhibitor may enter more than one entry per class. Members may exhibit in more than one unit of a project, but are eligible for Grand and Reserve Grand Champion in the most advanced unit only.
7. When a member takes two units at the same time in a project area where skills build on each other in each unit, they should master the skills of the lower unit and therefore exhibit in the higher unit.
8. Exhibits will be judged in blue, red, and white groups. Champions and Grand Champions will be awarded where merited.

Awards: All exhibits will be judged based on experiences and acquired knowledge as evaluated by a record book and/or display critique and/or an oral interview. It is strongly suggested that an oral interview be scheduled. All entries will be awarded one of the following ribbon awards:

- Blue Ribbon – Entry has been found to be COMPLETE and shows the highest quality record and/or display completion and demonstrates a high level of acquired knowledge in both records and/or oral interview.
- Red Ribbon – Entry has been found to be complete and/or shows GOOD record and/or display completion, and demonstrates an acceptable understanding and knowledge in both records and/or oral interview.
- White Ribbon – Entry is not complete and/or show only FAIR record and/or display completion and demonstrates only a minimal understanding and knowledge in both records and/or oral interview.

All BLUE RIBBON projects will be eligible for consideration for the Champion and Reserve Champion ribbon awards.

All CHAMPION RIBBON projects of each project unit will be eligible for the division Grand and Reserve Grand Champion Ribbon and award. If no exhibits merit being considered for Champion, Reserve Champion, Grand Champion, or Reserve Grand Champion those awards may not be awarded.

9. Exhibits that exceed project skill, number or size requirements will not be considered for champion or reserve champion.
10. Articles exhibited in previous years are not eligible.
11. All completed entries must be labeled with name, 4-H age, county, club, and unit.
12. Interview judging will be Monday, July 31, 2017, in the Al Lesser Building for all the General Projects
13. Interviews will be scheduled online. Refer to the June and July 4-H newsletter for more information about scheduling an interview time. Every project must have SEPARATE INTERVIEW TIMES - no more than two consecutive time slots.

14. If it is impossible to be here for an interview, you may bring your projects, with e-records, to the Extension Office before Monday, July 31, 2017 or bring them to the Al Lesser Building at the Fairgrounds on Monday, July 31, 2017, between 8:30 a.m. – 10:00 a.m. Label all parts of project and records. An interview with the judge is not required; however it would be to the member's advantage.
15. Any unscheduled interviews will be worked in during the day when judges are there and available.
16. Refer personal conflict in judging schedules to the superintendent IN ADVANCE.
17. Superintendents, in consultation with the 4-H agent, are responsible for their division and may make changes in classes, etc. based on entries or other circumstance, which are considered necessary to improve the quality of the show. If you have any questions, call superintendent in charge of the project area or the 4-H office.
18. ***Exhibits must remain intact until Monday, August 7, 2017. All exhibits will be released on Monday, August 7, 2017 between 4:00p.m and 6p.m.*** Exhibits must be signed for upon release. If exhibits are removed prior to Monday, August 7, 2017 premium money will be withheld.
19. The Al Lesser Building will be closed to the public Monday, July 31, 2017, while the judging is taking place. The building will open to the public on Wednesday, August 2, 2017 at 5p.m.
20. Guards will be on duty at all times to insure the safety of all exhibits, but at no time will the management be responsible for any loss or damage to property.
21. Best records will be selected in each project area where merited. E-Records may be completed in pencil, ink, typewriter or computer. The choice will not affect the judge's placement. All records will be judged on content, not presentation.
22. Any items not part of the required exhibit will not be left for display. If there are not sufficient entries in any class, that class may be combined with another at the discretion of the judge and/or superintendent.
23. NO WOODEN DISPLAY CASES WILL BE ALLOWED!
24. Showboard: A "Showboard" is a folded cardboard 3 feet tall by 2 feet wide, when closed, with a 1 foot wing on both sides when open. NO 3-D on boards. See page 2 for specific guidelines.
25. ALL Adams County Fair Rules will apply.
26. Exhibitors must be enrolled in Adams County 4-H. 4-H members must do their own work and all sources must be sited. Plagiarism will not be tolerated.

SECTION 4 NATURAL RESOURCES

ENTOMOLOGY

Note: Please read 4-H Project Exhibit Rules on page 2. *Entomology Workbook Required. Entomology is the study of insects. Acceptable sizes of hand made Entomology Display Boxes taken from the manual and kit:

- 12" W x 16" L x 3" deep
- 12" W x 18" L x 3 ½" deep
- 18" W x 24" L x 3 ½" deep

Glass tops on entomology display cases should slide to the top or side of the case to prevent them from slipping out and breaking when placed on display.

Commercially available display cases are acceptable.

SHOOTING SPORTS

Note: Please read 4-H Project Exhibit Guidelines on page 2.

Project Exhibit Rules:

1. Be sure to include the log for the discipline that you are exhibiting.
2. There is one e-Record that contains the inventory sheet and the discipline log records for all the disciplines that are required for this project.
3. Display should illustrate a chosen aspect of skill areas. This is separate from the statewide State Fair Shooting Sports Event listed under Special Events. (The standardized display board size of 4 ft. x 3 ft. is to be used with 4-H projects. No additional items may be included on or in front of display board.) No wooden display cases.
4. Counties may enter only one exhibit per class. Members may have entries in both the display board classes and the stand-alone classes.
5. No live ammo, tips, broadheads (ex: arrowheads), knives, functional or nonfunctional firearms or bows will be allowed as an exhibit.
6. Do not use the word weapon when creating your display. Make sure that there are no safety violations in your display. (Example: no earplugs, no safety glasses on a photo of a youth firing his/her gun.)
7. The display boards topics should stay in close relationship with your discipline. Please do not use topics outside the scope of your 4-H project. (Example: .22 Rifle Project—should not use the topic of different types of military machine guns.)
8. Stand-alone items are items that are made to enhance the discipline, such as a quiver, gun case, gun stand, etc. No display boards are allowed in the Stand-Alone Classes.
- 9. Because of limited floor space for displaying stand-alone items, there will be a maximum size of 3 feet in width and depth and 7ft in height. The item must be stable when standing in order to be displayed. If an exhibit is larger than this, a notebook can be used as an exhibit showing how and what was made.**
- 10. For those members who are exhibiting both a display board and a stand-alone, they may copy their e-record. Each exhibit must have an e-record. Be sure to highlight what you are exhibiting in your e-record.**
- 11. No stand-alone items that are an exhibit at the time of the contests will be allowed to be removed from the building to be used at the contests.**

In order to be eligible to participate at the State Fair Shooting Sports Contests, a county fair project and e-record in one of the disciplines must be completed and receive a blue or red ribbon. A member receiving a white ribbon on their shooting sports project will not be eligible to participate at any of the State Fair Shooting Sports Contests.

CAKE DECORATING

Amanda Goss.....Superintendent

Note: Please read 4-H Project Exhibit Rules on page 2.

Project Exhibit Rules

1. Cake should be placed on a very firm, disposable surface, cut parallel to the shape of the cake and must be 1 ½" on each side from the base of the border, not the cake. The surface should be covered. Freezer paper is not advised because it absorbs grease. The cake board must be covered with a food safe material – such as aluminum foil. If you use a decorative or gift wrap paper or fabric, it must be covered in food quality plastic wrap.

2. It is recommended that members learn the basic cake decorating skills included in Unit 1-3 before taking any of the more advanced units. Youth may then select the unit which includes the skills they wish to learn. Units 4-6 do not have to be taken in order as numbered and are for Jr., Int. and Seniors. **Units 7-9 do not have to be taken in order as numbered and are for Intermediates and Seniors. Units 10-12 are for Senior members only.**

3. **Real** cakes are required for Units 1-6. Cake forms are preferred for exhibits in Units 7-10, as they hold up better under state fair conditions.

4. **Once a 4-H member has received a placing in the top 10 or a grand champion, they need to move to another unit because they have mastered the skills in this unit. Also if a member repeats a unit they must show what new skill they have learned by repeating the unit.**

5. **No non-edible material can be used in units 1-6.**

6. Lower Units (1-3) in Cake Decorating should not use Royal Icing or Rolled Fondant as the base frosting. Fondant may be used only for decorations on cakes in **Unit 1. No Fondant can be used in Units 2 and 3. Only required tip work can be used in Units 2 and 3.**

7. Exhibits requiring over 2' x 2' exhibit area **must** be checked with the superintendent.

8. Cakes will **not** be cut for judging.

9. Real cakes are required for all four required cakes and cupcake batter in units 1-6. At least 2 of the cakes need to be real in Units 7-10. Also for Unit 8, 3 of the 5 cakes are required to be totally covered with fondant.

10. Unit 11 is molds and three molds are required plus the exhibit mold for a total of 4.

11. Unit 12—75 percent of the judging will be on the notebook.

12. All cakes require a bottom border.

13. Definition of two layered cake is, two of the same size cakes placed on top of each other. This is used for units 3, 7, 8, & 9.

14. A champion and Reserve Champion ribbon will be awarded in each class where work merits it. Exhibits that exceed project skill, number or size requirements WILL NOT be considered for Champion or Reserve Champion.
