Eastern Colorado Crop Production Conference

December 5th - 6th, 2018

Colorado State University Extension will offer a continuing education program on Crop Production and Soil Management on December 5th and 6th in Fort Morgan, CO. This program is designed for Crop Producers, Agronomists and Certified Crop Advisors.

Up to 14 continuing education credits will be offered for Certified Crop Advisors. Crop and Soil specialists from Colorado State University, Kansas State University, University of Nebraska, University of Wyoming and the Ag industry will present technical information on major crop production practices.

The registration fees for the two-day conference is \$100 per person, which includes program material, lunch and refreshments. Stay tuned for more information on the agenda and registration at: www.goldenplains.colostate.edu/

EASTERN COLORADO CROP PRODUCTION CONFERENCE

December 5 - 6, 2018

Country Steak Out Restaurant

19592 E 8th Ave, Fort Morgan, CO

COLORADO STATE UNIVERSITY
EXTENSION

December 5, 2018

7:00 - 8:00	Registration	
8:00 - 8:10	Dr. Wilma Trujillo	Introduction
8:15 - 9:15	Dr. Jose Chaves	Continuous Move Variable Rate Irrigation
9:15 - 10:15	Neeta Soni	Harvest Weed Seed Control Potential as Integrated Weed Management Tool for Winter Annual Grasses
10:15 - 10:30	Break	
10:30 - 11:30	Dr. Sean Gleason	Corn Growth During Drought: The Gory Details of What Drought Does to Corn... and What Can Be Done to Avoid It
11:30 - 12:30	Dr. Raj Khosla	Yield Map: Understanding, Analyzing and Decision Making
12:30 - 1:00	Lunch	
1:00 - 2:00	Dr. Carrie Eberle	Response to Late-Season Hail Damage in Irrigated Corn
2:00 - 3:00	Jim Ippolito	Soil Quality/Soil Health: Irrigation and Organic Amendment Perspectives
3:00 to 3:15	Break	
3:15 - 4:15	Dr. Dorivan Ruiz	Wheat Fertilization
4:15 to 5:15	Dr. Brent Young	Resiliency in Colorado Agriculture
